Diego Fernando Villamil

Resume ➤

# ABOUT ME ➤

I am a Graphic Designer And Digital Programmer from South America (Colombia) with more than 11 years experience in the market. I Graduated from the Professional Drawing Academy; Diploma in Audio-visual Media, Diploma in Multimedia and web development with Animate applications, HTML 5, CMS, programming and Css 3.

I consider myself a confident, friendly and flexible person willing to work in a team and under pressure, a responsible person who is willing and able to be challenged. I am always looking to learn new ways to improve my ability, also I'm a fast learner and am dedicated to my job.

I'm looking for the opportunity to enter into a reputable company that will allow me to build on my experience, become a valued team member and eventually progress within the company.

## **Experience in:**

Bootstrap, Materialize (Google), JavaScript. Creative conceptualization, design and development of advertising campaigns, brands and corporate image, P.O.P. digital retoucher and digital illustrator with experience in photomontages. I have extensive experience in graphic production, editing and finalising/digital printing.

## **Main Programs:**

(Adobe Illustrator, Photoshop, Indesign, Animate, Adobe XD, Dreamweaver, Visual Studio Code, After, Corel Draw, 3Dmax, etc).
